An Essential Service on Campus

As an eligible student, you're automatically covered by one of the most important services on campus, the SOGS Enhanced Care Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Full-time graduate students at Western University who have paid their ancillary fees are eligible.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
