An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus: the GSA Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Graduate students registered full-time (for 9 or more graduate credits) in the Fall or Winter Term are eligible, including on-campus, off-campus, and international students. Fort McMurray MBA program students are also eligible.

New Spring Term students aren't automatically covered by the Plan, but may be eligible to enrol themselves.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees. See www.studentcare.ca for more details.
