All City University students enrolled in at least one credit in an academic program are eligible, including:

- Undergraduate and graduate students
- International students
- Full-time and part-time students
- Internship students on practicum
- Capstone program students
- Sponsored students
- Virtual students (as long as they reside in Canada)

Please note that students in non-degree programs aren't eligible.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees. See www.studentcare.ca for more details.
