## An Essential Service for Students

As a full-time or part-time student and a member of the Dawson Student Union, you have access to one of the most important services on campus: the DSU Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs, like vision care, dental care, and travel care abroad. Visit [www.studentcare.ca](http://www.studentcare.ca) for more details on eligibility.

We invite you to verify if you're already covered by another plan (through an employer, parent, or spouse). If so, the student Plan can still be of interest to you, as you can be reimbursed the remaining eligible fees (partially or fully) through your secondary plan.
