An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus: the SUS Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Most full-time students who are SUS members and who begin their studies in the Fall or Winter semester are eligible, including TASK students and graduate students registered for at least 6 credits.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
