An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus: the UVic GSS Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Graduate students enrolled in the Faculty of Graduate Studies who pay the GSS membership fee and who are registered in at least 3 units of on-campus classes in September or January are eligible for the Plan.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
