Up to \$1,500 per trip for pre-paid, non-refundable trip expenses in case of a medical emergency.

Trip interruption

Up to \$5,000 per trip in case of a medical emergency.

Assistance Services

24-hour access to medical and legal referrals, pre-trip information, lost document assistance, and more.

What should I do in a Medical Emergency?

Please contact Medi-Assist toll-free at 1-888-699-9333 or collect at 0-604-419-4487 prior to seeking medical treatment so we can assess your situation, help you locate a suitable provider in your area, and open a medical case to monitor your care.

In a medical emergency where you are unable to reach Medi-Assist, please seek treatment immediately at the nearest health facility, and have a travelling companion or health facility employee contact us on your behalf as soon as possible.

When you call, you will be asked to provide general information including your name, your Provincial health care number, your Pacific Blue Cross policy and ID numbers, nature of your emergency, and contact information. Our Assistance Coordinators will monitor your care until treatment is complete.

Plan Details

We recommend that you review your detailed explanation of coverage prior to travelling. Details are available at www.studentcare.ca.
